

Bay Area Community Foundation Health Initiative - Arenac County Grant Application

For those non-profit organizations interested in applying for a Health Initiative - Arenac County Endowment Fund grant, please answer the following questions:

- Will the program or service for which you are requesting funding benefit Arenac County residents?
- Is your organization a federal 501(c)(3)tax-exempt organization, a government entity, a school district or a university?
- Will the funding be used for a charitable purpose?
- Have all final reports due to the Foundation on previous grants been submitted?
- Does the organization have a current certified financial audit?

Can you verify that this request:

- Is not for a sectarian religious program?
- Will not be used to grant to an individual person?
- Will not be used to cover deficits or other previously incurred obligations?

If you have answered “yes” and verified all the above questions, your organization may be eligible to submit a grant application requesting no more than \$1,000. If you wish to apply for a grant, please contact Kristen Bovid at the Bay Area Community Foundation.
